COMPANY PROFILE

REHME

REHME (Quality Always Wins) is an ISO 9001:2015 certified company under the Indian System Standards. We offer a complete range of modular electrical accessories, capacitors, fans, small appliances, and advanced lighting products, all known for their high performance, elegant designs, and top-tier quality under the REHME brand.

Our mission is to deliver safe, user-friendly, and innovative products to our customers, leveraging cutting-edge technology and a highly qualified, dedicated team. Founded in 2019 and based in Sirsa, Haryana, REHME adheres to the principles of meticulousness, stability, efficiency, and proactive innovation. We are committed to a customer-centric approach, continuously enhancing quality to provide our clients with superior products, excellent after-sales services, and fostering long-term business relationships.
